

# Tree Leaves

Focus Sound: ee/ea

By: B. Marker

I like to eat leaves.  
I run in the grass  
to find a tree. I  
reach up to the  
top. I take a bite.  
Munch! They  
are green and  
sweet. Yum! Yum! I  
let sis have a leaf  
feast. She can not reach to the  
top of the trees yet. Mom is glad  
that I share. It is time to take a  
nap. I dream of leaf cake. What  
do you like to feast on?
