

# I Steal Bugs!

Hi! I am Kate. I like bugs. I do not need to catch bugs. I steal them. Hee. Hee. Pat left a big pile of bugs near the rocks. I ran and got them. Jim left a green bug in the mud. I stole that one too. Mike set a bug in his home. Then Mike went to sleep. I ran in and got that bug as well. I stash the bugs near the creek. Let me get them. Oh dear! They are not here! Did Pat, Jim, and Mike steal their bugs back? I fear they did!
