Rick was a cub. "I like to roam!" said Rick. When the sun rose, Rick ran in the grass. "It is not time to roam," said Rick's mom. "You are not grown yet. You must stay with the pride." Rick was mad.

"Do not moan," said Rick's mom. "Us lions are so big, we do not need to roam like the other animals. We can roar!" "OK mom," said Rick. "I will stay with the pride. I will ROAR!" Rick could boast a low, deep roar. The End.
