Focus Sound: ee/ea

Each week, dad and I eat a treat. This week, we go to the beach. "Ice cream! Ice cream," dad and I hear. We run down the street.

The ice cream man fills us with cheer.  
“Dad, can I get one?” I ask. “Yes, dear  
Jack,” says dad. I get peach ice cream.  
The man sets a big heap on a cone. I  
reach up and get it.

“Thank you!” I scream. It is sweet.  
Then, dad and I eat ice cream on the  
beach. Yum! What ice cream do you  
like best? The End.
