

# Mom's Bun

Focus Sound: short vowels By: B. Marker

There is a bug in mom's bun. I did not tell mom yet. It is a big, black bug. It has a lot of legs. The bug ran up mom's bun. Next, it sat on top to nap. "Mom" I say. "There is a bug in your bun." "AHHHH..." yells mom. The End.

What was in the mom's bun?
