Focus Sound: ee/ea

Ben was a wee little tree. "When will I get big and green?" said Ben. "Do not fret," said a big, green tree. "It will take time." Weeks came and went. Ben was not big yet.

“What is it like up there?” said Ben to the big tree. “It is like a dream,” said the big tree. “What do you see?” said Ben. “I see the sea, the green hills and the streams.”

Years came to pass. Ben did get big. He was a green peak. "I can see a lot!" said Ben to the big tree. "I can see the sea, the green hills and the streams. It is like a dream." The End.
